JULY 4 CROWD EXCEEDS 2500

PAHOKEE — An estimated 2,500-3,000 Glades residents in some 800 cars gathered at the Pahokee waterfront for the first annual Gladeswide Fourth of July celebration sponsored by the Pahokee Chamber of Commerce Monday night.

Police clocked 550 cars off the levee after the fireworks, and estimated another 200 which came and went at various times during the barbecue, program, and fireworks display and were parked off the levee.

Col. Thomas H. Goodman, regional administrator for the Federal Civil Defense Administration in the Southeast, was principal speaker. He told his vast audience that Russia cannot be considered anything but a threat to the people of the United States, and that "hours and in some cases only minutes" of warning would be given in case of an air attack on the U. S.

For that reason, he said, all Americans, whether Floridians, residents of the industrial North, or of the far West, must be willing to give some time to serve in the Air Force-CD chain of warning stations.

He asked Glades residents to remember that the threat to America from foreign shores

Pool Fund Heads Toward \$36,000

BELLE GLADE—The Swimming Pool Fund neared \$36,000 yesterday as workers were hard at it on personal contacts of individuals and packing houses, Secretary Edwina Young reported.

A sizeable contribution was in from a Canal Point resident. South Bay is as yet unreported. A workers' and committee meeting will be held Tuesday at 4:30 p.m. at the Chamber of Commerce office, for further planning.

BG TEEN CLUB IS UNDER WAY

BELLE GLADE — The Elk's Club for teenagers had its first evening program Friday evening at 7:30 at the Elk's Club when 70 boys and girls registered for the round and square dancing, ping-pong, pool, and other table games.

There were two door prizes, of two show passes each, donated by the Gold-Dobrow Theatres. These were won by Billy Cowart and Margie McDonald. This week's door prizes are being donated by the Glades Drug Store.

The program will continue each Friday evening for the summer from 7:30 to 10:30 for junior high and high school boys and girls, two Elks members, and two mothers will be present each week as chaperones.

The young people are required to register, and if they leave before 10 p.m. they must also sign out, and may not return later during the evening. There will be round and square dancing, pingpong, pool, pinball machines and checkers, and this week Hubert Anderson will call for the square dancing. Soft drinks and cookies will be for sale.

Glades Speaks Up For Local Sugar Increase

U. S. Congressmen and Senators were hearing that the people of the Glades are determined that American sugar producers will get a better break on production quotas, as a result of action this week spearheaded by the Chambers of Commerce of Belle Glade and Pahokee.

Following up preliminary wires last week, the Chambers, as well as the Belle Glade Jaycees and Lions, were sending resolutions to Congressional committee concerned and the Florida delegation regarding the bills on sugar now before the legislators.

Every wire and resolution has urged that Congress take action to give American producers a chance to sell their sugar which now, under present restrictive quotas, is piling up despite lessened acreage.

Cuban interests were given a chance to recoup following World War II, by an act of Congress permitting them to ship so much sugar to the U. S. that American growers were cut back.

The bills presently before Congress, including one introduced by Rep. Paul Rogers, ask that the quotas of U. S. producers be raised, without immediate lessening of the Cuban imports. Ultimately, the bills will give the U. S. growers 55% and sugar importers 45% of the total.

3 Pahokee Girls High In Jr. Swim

PAHOKEE — Three Pahokee girls entered the 1955 Palm Beach County AAU Junior Olympics recently at the Lake Worth Casino, and Miss Yvonne Thompson, 10-year-old daughter of Mr. and Mrs. Joe Thompson, won first place in midget free style race. The state record is 15.4 seconds and Yvonne beat the record by making 15.2.

Miss Judy Canipe, 10-year-old daughter of Mr. and Mrs. Clyde Canipe, was second prize winner in the midget backstroke race. Miss Kay Canipe, eight-year-old daughter of Mr. and Mrs. Clyde Canipe, was third winner of the midget breast stroke race.

Each of the girls are eligible to swim in the district contest to be held in Miami the last of July. W. D. Howard is their coach.

The tax paid by gasoline dealers in Palm Beach County for the year totaled \$3,385,023.18, of which was distributed \$1,002,844.73 for road bonds and road building purposes in the county.

Pahokee Bank Has Record Deposits

PAHOKEE—Deposits in the Bank of Pahokee for the six-month period ending June 30, 1955, are higher than any of this period in the history of the bank, President H. M. McIntosh reported this week.

With \$6,102,702.39 recorded in deposits with the end of the first six months, the increase is approximately a million dollars, McIntosh said.

The bank's statement of condition shows undivided profits of \$67,465.28. Loans and discounts, less reserve are at \$1,458,008. U. S. bonds total \$2,232,833.13.

A JOB TO DO: Congressman Dante Fascell has been appointed to one committee that all newsmen are watching with unusual interest. It is a subcommittee of the Government Operations Committee. And the members are to look into charges that Government agencies have denied or withheld information from the press. That's true, as every Washington newsmen knows.

And under the Republicans, the situation is getting worse. Many facts that the public should have are being hidden and buried within the files and desks of official Washington. Favorite dodge of the bureaucrats who want to hide mistakes, or keep from being embarrassed by the truth, is to use the words "confidential" with the implication that national security is involved.

Funniest experience we've had was trying to get Vice-President Nixon's home street address. We called his office, told them who we were, and asked for the information. They refused to tell us. We reminded them that we knew that the President lived at 1600 Pennsylvania Avenue, but that we just couldn't find the Vice-President's address. His office said that was "confidential" information and they were not permitted to give it out.

Later, after we had called a half dozen people with no results — our Gladys suggested that I look in the Congressional Directory—a public document—a copy on my desk. There was the address—4801 Tilden St. I felt a little stupid about that time. But the point is that public officials here are refusing to give information to the public—no matter what. More power to Fascell's committee!

BY SCHATZI

After three years, I have been made out a liar.

I admit it.

Because for three years, I have agreed with practically everybody in the Glades that the only vicious mosquitos in South Florida are the ones on the coasts.

Goodness knows, I don't like mosquitos, but I can live with 'em and like 'em here because there have never been many.

But now I don't know.

Here I sit, paw at typewriter, and the other paw scratching my bitten-up ears.

If there is anybody who can tell me how we got about a thousand mosquitos in the house the other night, I'd like to hear from the person. And if he can also tell me how to stop such invasions, I'd be glad—more for the bosses than myself.

Boss 2 just went to bed at 9 o'clock, ensconced in her canopy of mosquito netting. But poor old Boss No. 1, who didn't have any bug spray or any mosquito netting had quite a time. Sounded like a Glades version of a Swiss slap-dance.

We already have concrete walls, windows, screens, chimney cap, and no pools of water in the living room.

But we sure have mosquitos. Ouch! There's another one.

See the Difference?

(No Center Posts!)

188-hp Buick SPECIAL 6-Passenger, 4-Door RIVIERA, Model 43

This 4-Door Beauty is the Newest Hit in Hardtops

You certainly ought to come in and see for yourself why this new kind of hardtop is headed for the best-seller list.

It's a Buick Riviera, of course.

Which means the low and rakish look of a Convertible—a solid steel roof overhead—and no center posts in the side window areas to obstruct your view.

But that's only the beginning.

Here you get *two extra doors*. They open to the rear compartment. So no one in the front has to move when someone gets into or out of the rear.

Here you get massive *half-pillars* on either side on which the front doors latch and the rear doors hinge. (That's why you see no center posts above the door line.)

Here, too, you get wholly new principles in body design and strength that give the extra safety of rock-firm solidity at the top, sides and bottom.

And here—bless those Buick engineers!—you get a lot more room in the rear compartment.

For the 4-Door Riviera gives you over 9 inches more hiproom and 5 inches more legroom—yet with *no* increase in wheelbase or over-all car length.

So we repeat—you certainly ought to come in and see this stunning new kind of hardtop.

It's the very last word in beauty, comfort, convenience. It's available in Buick's two lowest-priced Series—the SPECIAL and the CENTURY. And it's *all* Buick—with Buick power, Buick ride, Buick handling—and the spectacular performance of Buick's Variable Pitch Dynaflo.*

Drop in today—tomorrow at the latest—and learn what Buick's all time record sales year can mean to you in the way of a whopping-big trade-in deal.

*Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

Thrill of the year is Buick

NEW ST. JOHN'S CHURCH TO BE USED SUNDAY

The new Episcopal church of St. John the Apostle, Belle Glade, will be used for divine worship for the first time next Sunday at 9 a.m. when Rev. John Clarence Petrie, vacar, will offer the Holy Eucharist. The new building is at NW Second St., and Ave. H.

The property, composed of seven building lots, will eventually include a church house, rectory, parish house, and educational buildings. In planning the building arrangement, consideration has been made for the parking problem, so there will be ample parking space on the property, and street parking will be unnecessary. The builder is Nelson Willis.

The congregation of the church first gathered in the homes of the members on Sunday evenings, and then in the summer of 1953 was finally admitted as an organized mission. In September 1953, regular morning services were initiated in the Belle Glade Woman's Club building. The present site was purchased a year ago.

Throughout this period of growth, the congregation has had the leadership of a building committee composed of Dr. G. R. Townsend, Donald R. Parke, E. S. Roberts, G. E. Averill, E. M. Lively, W. D. Matthews, E. M. Ayres, A. L. Durrance, and Mrs. Thomas Bregger.

Although the building will be used from now on for all services, the formal dedication will not take place until fall, when Canon W. L. Hargrove, executive secretary of the South Florida diocese, will come to preach a three-day mission, and to dedicate the new church.

Ross Winne, Jr. and Bride

PHOTO: JERNIGAN'S, OCALA

MR. and MRS. ROSS WINNE, JR.

The marriage of Miss Joan Kathryn Dubler, daughter of Mrs. Jack K. Stansell, Ocala, to Ross Wesley Winne, jr., son of Mr. and Mrs. Ross Wesley Winne, sr., Chosen, took place June 29, at First Presbyterian Church in Ocala with Rev. Fred Turner officiating at the double ring ceremony.

The altar was decorated with a single floral arrangement centered on the church platform made of cathedral candelabra with sprays of white glads at the base. The chancel rail was banked and cascaded with plumosa fern. Traditional wedding music was played by Mrs. Jessie Ohlinger, organist, with Mrs. Howard Trumm as vocalist.

Given in marriage by Jack K. Stansell, the bride wore a gown of lace and faille taffeta. The embroidered lace yoke was edged in shallow scallops to form the scoop neckline. The sleeveless bodice was finished at the waist with a midriff of the taffeta, narrowly tucked and shaped in a graceful sweep. Her headpiece was a tiara of seed pearls and rhinestones holding a scalloped fingertip veil of illusion. She carried pink sweetheart roses in a cascade arrangement backed with dwarf ivy.

She was attended by Miss Barbara June Ryals as maid of honor, who wore a ballerina-length gown of pale pink taffeta. Bridesmaids Stella Wigels-

worth and Sara Pickett wore gowns identical to that of the maid of honor. Junior bridesmaid was Jackie Stansell, sister of the bride. William Burke, Chosen, served as best man. Ushers were Lee Burke, Chosen; Craig Dwyer, Atlanta; Kay Green, Sparr, and Norman Froscher, Ocala.

The Pioneer Garden Club was the scene of the reception. Miss Martha Ann Blount, cousin of the bride, and Mrs. J. A. Blount were at the bride's book, others assisting in hospitalities were Mrs. W. E. Stansell, Mrs. Lewis Whisman, Mrs. Jimmie Leak, Mrs. Nevell McCord, Mrs. George Ryals, Mrs. Richard Karaw, Mrs. Henry Spinkle, Mrs. A. N. Wigham, Mrs. J. P. Duane, sr., Miss Shirley Whinnery, Mrs. John Craggs, Mary Frances Wigglesworth, Olivia Lee Maxwell, Susan Sprinkle, June Leak, Judith Seiler, Janet Taylor and Deedee Daughtery.

The couple will be at home at 124½ SW Ave. B, Belle Glade, after a wedding trip through central Florida.

OLIVER-HARVEY

The wedding of Miss Mary M. Oliver to Richard Lee Harvey was performed at 8 p.m., June 24 at Belle Glade Community Methodist Church with Rev. H. E. Garrett, pastor officiating. The double ring service was used.

The bride, daughter of Mr. and Mrs. Jesse Willard Oliver, 233 NW Fifth st., was given in marriage by her father. She wore a ballerina length, white satin gown, with the bodice trimmed with Chantilly lace, and having a scalloped neckline outlined with pearls and rhinestones. It had long pointed sleeves and a full gored skirt. Her veil of illusion was finger tip length, and from a cap effect outlined in seed pearls. She carried a heart-shaped bouquet of white carnations centered with a white orchid.

The maid of honor, Miss Betty Phillips, wore a blue taffeta gown similar to the bride's, with short sleeves. She carried a bouquet of yellow carnations. Miss Louise Strobe and Miss Jane Steele, the bridesmaids, wore similar gowns of pink and white, and also carried yellow carnations.

The groom had as his best man his stepfather, Earl Brumfield, of Anderson, Ind., and ushers were Paul Davidson and Sanford Puryear.

The church was decorated with baskets of white gladioli, palms and lighted tapers. Miss Marianne Womack, organist, played traditional music. The soloist was J. C. Womack.

Following the ceremony, a reception was held at the home of the bride's parents. Miss Floretta Mathers, Mrs. F. C. Fessenden, and Mrs. Travis Poole assisted in serving. The table was centered with a three-tier wedding cake and lighted candles.

After a wedding trip to Daytona Beach, the couple will be at home in Greenville, S. C., where Mr. Harvey will be associated with a radio station. For traveling, the bride wore an aqua linen suit, with white accessories and white orchid corsage. She is a member of the senior class of Belle Glade high school, and has been a member of the Student Council.

Donald Pickett will leave this weekend for Houston, Tex., for his employers, Tideland Exploration Co.
